Fine Memorial to Edith Cavell. In a quarry, midway between Bodwin and Camelford, on the moors of North Cornwall, England, a memorial is being fashioned out of granite in memory of Nurse Cavell. One of the huge pieces is nearing completion under the guidance of Sir George Frampton, who is giving his services free the base of the monument, is carved a cross. The group is symbolical of the stronger nations protecting the smaller and weaker ones, while the cross is the emblem of mercy. The whole group is carved in the form of a cross, giving special significance to the order to Este'la Fisher drove down to the which Nurse Cavett belonged. Another association grounds in their Overland buge block of granite near by has a big Bon carved on it, with head erect and mane bristling. Trampled beneath its feet is a serpent, writhing, but defent day school at both churches Sunday school at both churches Sungroup probably will be erected near
